

Professional Program Policy

The Professional Program is designed specifically for professionals who would like to distribute ForeverGreen products through business channels. Any professional who wishes to participate in the ForeverGreen Professional program should follow the application process outlined on the ForeverGreen Professional Program application and fax the application along with a copy of their professional license to ForeverGreen at 801-655-5505. ForeverGreen will review the application, and process the initial order if the application is accepted. Professionals accepted into the ForeverGreen Professional Program will be able to purchase products from ForeverGreen directly and enjoy a 25% discount off the wholesale price. The initial order should meet the requirement of \$200 minimum and additional orders will require a minimum of \$200 per order. ForeverGreen reserves all rights to reject any application and has the right to terminate any professional account immediately if any violation of the ForeverGreen Professional Program or the ForeverGreen Policies and Procedures occurs. All returned products must be in re-salable condition. Refund will be credited back to the original form of payment minus a 10% restocking fee. Reselling of any product at a price lower than the listed Whole Sale Price may result in termination of the Professional Account.

Potential Professionals

The Professional Program is designed to help Professionals who may be interested in marketing ForeverGreen products and integrating them into their business. This Program is designed primarily for professionals who are in related fields and could benefit by making ForeverGreen's products available to their customers or clients. Professionals or business owners who are in non-related fields may not qualify to participate in this program and might be better benefited by simply becoming Members. This brief listing is designed to give you some ideas of who might be eligible to participate in this program. Remember each professional who applies will be evaluated by customer support for eligibility.
